Who Dunn It?

Murder Mystery Nights & Days

Try to work out who of your friends is capable or guilty of,
MURDER!

The cost of the Murder Mystery Night is £22.50 per head. This also includes costume hire props, Charleston Hats, Beads, Feather boards, Gangster hats and Machine Guns.

(Plus the cost of a meal at about £19.00. Totalling £41.50 per head (Example))

You could have a lovely four course meal at a Georgian Mansion on an island in the middle of a Lake, (Wakefield) with your only means of entry or escape being a fifty foot iron bridge.

www.watertonparkhotel.co.uk £22.50 Murder Mystery + £23.50 (Meal) = £46.00 accommodation is optional.

(Meal prices vary according to your hotel choice.) £20.00 to £25.00 per meal price will give you a greater choice of hotels and perhaps a superior meal.

We can arrange the event on a date to suit your party and locally to you. (Subject to availability)

All you do is pick the night that suits best, and a rough guess of how many may be in your party and we will do the rest. You can suggest a venue/hotel in your area or we could do a search on your behalf if we know your proposed dates and rough numbers.

If you travel to our area, we only need eight persons. (Sheffield, Leeds and Doncaster triangle). If you are at a distant location, we need a minimum order of £562.50 to make it viable to travel to you (this is for National coverage). At the above price it could be 25 persons with costume hire props, £20.00 x 25 persons = £562.50. (Example). This excludes the meal. (There could be less than this number.)

If you have any further questions please do not hesitate to contact us.

Please remember to, **BOOK EARLY TO AVOID DISAPPOINTMENT**

We look forward to being of assistance for your special occasion.

The Shoot Out

We offer two different finishes.

- One is the Bugsy Malone type shootout.
- The other option is – we give out a certificate and a token prize to the completion winners so they get something to take home. You used to be able to choose either. In the couple of months or so, the supplier of form has gone in to liquidation for the second time in the last 12 months, so if they do not return again will have to go with the second option.
